- **Frequency: the big bad wolf blows with a frequency of once per piggy lifetime.**
- **Consequence: if the wolf blows down the house, the piggy is gobbled.**
- **Maximum justifiable spend (MJS): a piggy considers it's worth \$1,000 to save its bacon.**
- **1.0 piggy lifetime \***  
**\$1,000/piggy life = \$1,000**
- **Which type house should the piggy build?**

**‘Unless the Lord builds the house,  
the builders labour in vain.**

**Unless the Lord watches over the city,  
the guards stand watch in vain.’**

**Psalm 127:1**

A man in a dark suit and light purple shirt stands on the left, and a woman in a dark coat and scarf stands on the right. They are positioned in front of a blue building with white window frames. In the background, there is a large, ornate stone building with Gothic architectural features, including pointed arches and spires, partially obscured by trees. The overall scene is outdoors with a slightly overcast sky.

**‘You boast, ‘We have entered into a covenant with death,  
with the realm of the dead we have made an agreement.’**

**Isaiah 28:15a**

‘So this is what the Sovereign LORD says:  
‘See, I lay a stone in Zion, a tested stone, a precious cornerstone for a sure foundation; the one who relies on it will never be stricken with panic.’

Isaiah 28:16
